Amazing

When you take the left side, surely I'll take right instead.
Where you like the movies, I prefer a rockin band.
When you take a caravan, I fly.
Where you are the bottom, I'm the sky!

Isn't it amazing?

You drive a Mercedes, I sit in a solar car.
You like all inclusive, I am travelling Africa.
While you have a husband, I am gay.
When you leave the party, me I stay.

Isn't it amazing, isn't it amazing?
How different two girls can be, coming from one family!

Where you love to small talk, I discuss philosophy.
Sometimes when I am rude, you try to bring harmony.
When you're tired, I am wide awake.
I'm the river flowing in your lake.

Isn't it amazing, isn't it amazing ?
How different two girls can be, coming from one family!

You like "Pretty Woman", I love "Thelma and Louise"
I drink pots of coffee, you like to have your herbal tea.
Look at us, we are like day and night.
But we know there is no wrong or right!

Isn't it amazing, isn't it amazing ?
How different two girls can be, coming from one family!
